

Extended Learning (E.L.O.)

1. Practice, practice, practice Pausing & Paraphrasing.
★ *Tell people what you are working on.*
2. Dialogue with your Learning Partner about your developing understanding of the Framework. Use this conversation to practice Pausing and Paraphrasing.

We will open the next session with reflection on your experience with Pausing and Paraphrasing

October 16 & 17
Here – Suite 16

Conversation is an opportunity to meet together as peers, not as roles. What makes us equal is that we're human beings. A second thing that makes us equal is that we need each other. Whatever we know, it is not sufficient. We can't see enough of the whole. We can't figure it out alone. Somebody sees something that the rest of us might need.
